

Burda Hackday

Episode 3: Future of Finance

What?

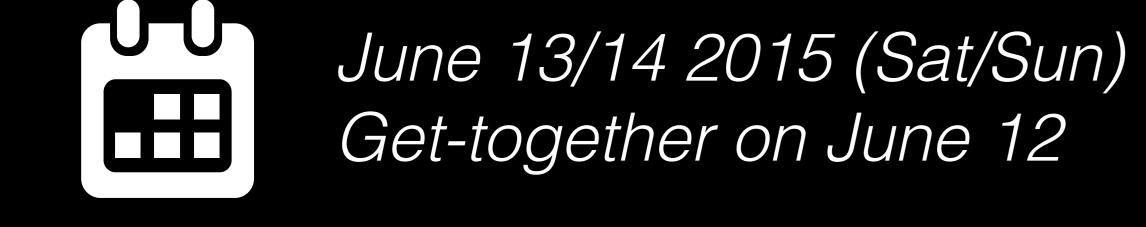

Let's code the future of finance! Build new apps, tools & platforms for banking of the future, financial services, money transfer, ecommerce & financial content based on the partner APIs & open data.

Who?

Coders, designers, data scientists, financial experts & journalists are more than welcome! Come in teams of max. 5 persons or find your team on the spot and develop your prototypes from scratch!

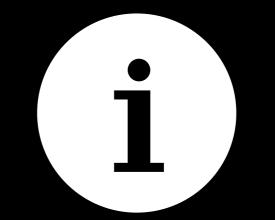

Why?

Winners will receive 5000 euros and tickets to the start-up conference The Royal Jungle in Munich. Other prizes: Tickets to Europe's leading digital conference DLD & 1000 euro Amazon voucher.

HVB Forum, Kardinal-Faulhaber-Str 1 80333 Munich
